DP652L

Optisk rökdetektor, 8,5-33 V, IP43 med LED-indikering

General

The 650 Series smoke and heat detectors are designed for the highest effectiveness by utilising the latest technology.

Standard Base

The base is designed to enable detectors to be plugged in without any need for force - particularly useful when fitting to suspended ceilings. To make it even easier, the base has a "one way only" fit. All bases are lockable and contains no electronic parts that could be damaged during installation.

The detectors are polarity insensitive and bases are easy to wire with an earth connector.

Detaljer

- Polarity insensitive
- Common base
- Elegant slim-line design
- EN54 approved
- Wide operating voltage

DP652L

Optisk rökdetektor, 8,5-33 V, IP43 med LED-indikering

Tekniska specifikationer

Electrical

Power supply type	Zone powered

Physical

Colour	White
Mounting type	Base mount

Environmental

Vandal proof	No
Environment	Indoor

Regulatory

Compliancy	CE, REACH, RoHS 3, WEEE
Certification	CPR
